Hello, my name is */last name and first name/* and I represent the Caucasus Research Resource Centers, a non-profit independent research center which is a program of the Eurasia Foundation in */country/*. We are conducting our annual household survey and would like to ask your household a number of questions to help better understand people's opinions and conditions in the country. Your household has been selected randomly, along with a couple thousand other households in */country/*, and it is very important for the reliability of the results that you agree to participate in this survey.

This interview is split into two parts. In the first part we would like to talk to those adult household members 18 and over who are home and involved in running the household. This part should take approximately 35 minutes, depending on the size of your household. In the second part, we need to select one household member randomly and speak to this person separately. If possible, we will conduct these two interviews at the same time.

All of your responses are voluntary and will be confidential and completely anonymous. Your name will not be linked to the responses recorded on this survey, nor will researchers be able to link your identity or address to the responses recorded. You have the right to refuse the interview, however, I ask you to help me do my work to help us understand what is going on in the country.

[INTERVIEWER 1! ASSEMBLE THE RELEVANT HOUSEHOLD MEMBER(S) FOR THE HOUSEHOLD INTERVIEW. MAKE SURE THAT THERE ARE NO MORE THAN TWO HOUSEHOLD MEMBERS PRESENT. IF THERE ARE MORE, SAY “In order to facilitate this interview, can I ask to speak to the two most knowledgeable household members.”]

[INTERVIEWER 2! IN THE LANGUAGE YOU JUST EXPLAINED THE PURPOSE OF THE INTERVIEW, READ THE FOLLOWING TEXT AND IDENTIFY THE APPROPRIATE HOUSEHOLD MEMBER FOR THE INDIVIDUAL INTERVIEW.]

F1. Let me start with identifying a specific household member the for individual interview. In order to make sure that we select this household member randomly, we decided to select in each household the person 18 or older who had his or her birthday most recently. Who among your household members who are age 18 or older had his or her birthday most recently?

[INTERVIEWER 2! IF THE HOUSEHOLD MEMBER WHO HAD HIS/HER BIRTHDAY MOST RECENTLY IS NOT INVOLVED IN THE HOUSEHOLD INTERVIEW, ASK THE HOUSEHOLD MEMBER(S) TO MEET HIM/HER AND START INDIVIDUAL INTERVIEW IN ANOTHER ROOM → GO TO COVER SHEET OF INDIVIDUAL INTERVIEW.]

[INTERVIEWER 2! IF THE HOUSEHOLD MEMBER WHO HAD HIS/HER BIRTHDAY MOST RECENTLY IS INVOLVED IN THE HOUSEHOLD INTERVIEW, WAIT UNTIL THE HOUSEHOLD INTERVIEW IS COMPLETED.]
